SUBJ : Technical Recommendations In Connection With
Development of Project Equipment

1. Pursuant to our recent discussion on subject matter, it was agreed that technical recommendations emanating from your office in connection with your capacity as technical adviser to the project would carry the following information with respect to each such recommendation:

- a. Supplier concurs in the recommendation, or
- b. Supplier is neutral but accepts the recommendation, or
- c. Supplier opposes the recommendation.

2. I believe that by and large your recommendations have indicated which of the above categories apply in any given instance, but in some cases this information has been of a verbal nature to the undersigned. It is requested, therefore, that in the future all written recommendations for project action indicate the applicable category in writing.
